

## JURY CONVICTS 6 GAMBLERS; FINED TOTAL OF \$2600

A jury of six men and six women in Centerville Justice Court last Friday found six of the seven defendants, charged with violation of the gambling laws, guilty as charged.

After deliberating approximately one and a half hours, the jury also returned a verdict of not guilty on an identical charge against Benny Fong.

### SEEK NEW TRIAL

Lester Foley, Hayward, attorney for the defendants, immediately filed a request for a new trial and the hearing was set for Wednesday.

In his appeal for a new trial Wednesday, Foley listed various times during the trial that he felt that incorrect procedure was followed.

His request for a new trial was denied by Judge Allen G. Norris and the defendants were fined as follows: Dalmacio Carrillo, \$500 or 100 days; Marty Yip, \$500 or 100 days; Eugene Patencion, \$300; Ernest Sun, \$300; Timmy Yip, \$500 or 100 days; and Frank Macahilas, \$500 or 100 days.

Foley verbally declared that the cases would be appealed.

The defendants were part of a group of 13 men arrested by sheriff's deputies on August 19 in a raid on two Alvarado cafes.

### COMPLETE CASE

Five defendants, found guilty by a jury trial in Centerville last month on identical charges, were fined \$300 each.

Serving on the jury were Jack Parry, Frank Gyax, Alicia K. Emery, Albert J. Bechtold, Thomas Robbins, Lucille Day, Alice King, Lester Whitaker Jr., Jennie Mohn, Rose Escobar, Pete Kladdo and Edith H. Whipple.

## Township Thanksgiving Is Quiet--But Plentiful

The township, surfeited with turkey, cranberry, and pumpkin pie, has settled down with after-holiday ennui with nothing more to do for the week-end anyhow--than to nibble at cold turkey, and get out the Christmas shopping list and start planning.

Thanksgiving, as usual, was observed by township families with the traditional family parties, with guests, in many cases, arriving from all points of the state and, in other cases, from no farther than from Centerville to Niles, or from Newark to Irvington.

All in all, the Thanksgiving holiday here was a good one, for the township indeed has many things for which to be grateful. Let's look in on some of our township families and see how they spent the holiday:

Mr. MANUEL BERNARDO, who recently underwent an operation at the hospital, was well enough yesterday to participate in the turkey dinner at his home in Centerville. He and Mrs. Bernardo had as their guests, Mr. and Mrs. Walter Schumann of Oakland.

## TOWNSHIP CHAMBER MEETING ON NOV. 30

A meeting of delegates to the Township Chamber of Commerce has been called for Wednesday evening, November 30, at 8 p.m., in the Centerville Justice Court.

President Dallas Paul stated this week that the meeting is not only open to all delegates of the community Chambers of Commerce, but to the public as well.

The Ways and Means Committee, which met last week to work out organizational details, is expected to give a full report of its recommendations.

## SOUZA ELECTED CHAMBER HEAD

John Souza, Warm Springs fire chief, has been elected president of the Chamber of Commerce of that community to serve for the coming year. He succeeds J. Orville Leitch as head of the organization.

Other officers elected were: Bruce Michael, vice-president; and Mrs. Elizabeth Sloan, re-elected secretary-treasurer. Directors are A. F. Vargas, Melvin Leal, Minnie Souza, John Briar, Leo Scheggs and Dick Johnson.

The newly elected officers have announced that the first event to be given under their direction will be the annual Christmas dinner-dance scheduled to be held at the school on December 17.

### HEARING ON BURGLARY CHARGE HERE TODAY

The court hearing for Alfred Andre, Niles laborer charged with burglary, has been set for today at 1:30 p.m. for plea and preliminary examination.

Andre is charged with burglarizing the Joseph Shinn home near Niles where he is alleged to have taken two watches. He is held in custody in lieu of \$250 bail.

## NILES MERCHANTS PLAN FOR BETTER HOLIDAY LIGHTING

Christmas lighting will be the subject of a special meeting of Niles merchants Monday evening, Nov. 28, at the Niles Justice Court, it was announced this week.

The meeting has been called by the Niles Chamber of Commerce. President John Brahmst stated at Tuesday's regular Chamber meeting that the evening meet will consider further additions to the lighting equipment which has been bought in the last two years.

The first Washington Township business district to decorate for Christmas, Niles embarked on a decoration plan which calls for gradual increase of permanent street decorations year by year.

This year, with the co-operation of all merchants, the Chamber intends to install a power line on First Street so that it will not be necessary for individual merchants to supply current for the strands of colored lights.

In the last two years, the Niles holiday decorations aroused wide attention and have served as a stimulus for other township communities to decorate their business streets.

The meeting Monday evening will start at 8 o'clock, according to Vernon Ellsworth, Chamber secretary.

## EAST BAY FREEWAY EXTENSION SPEEDED

Linking of Southern Alameda County with Oakland via the East Shore Freeway was speeded by a full year this week by the action of the State Highway Department.

The department allocated \$1,100,000 for a bridge and overhead structure at San Leandro Creek with construction scheduled to begin almost immediately.

The project had originally been included in the \$4,040,000 phase of the Freeway project, for its extension from San Leandro to Lewelling Boulevard, at Hayward, scheduled to start next July 1.

Immediate construction of the San Lorenzo Creek structure will shorten by a year the time required to extend the Freeway to Hayward, engineers declared.

Plans for the structure are virtually complete, and agreement has been reached with the Southern Pacific railroad for a crossing of its tracks. Engineers have also announced that bids will be called as soon as possible.

### P.M.T. DRIVER WINS NINTH SAFETY AWARD

George Dunn, driver of the PMT truck which makes daily deliveries from Oakland in Washington Township, this month received his ninth annual award for safe driving from the National Safety Council.

In nine years Dunn has had no accidents whatsoever. His record for accident-free driving is the highest in the PMT east bay organization.

## ZONING ORDINANCE FOR IRVINGTON APPEARS CERTAIN

The new zoning ordinance for Irvington cleared another hurdle this week in its process of becoming law, and is a certainty to become effective within the next 30 days, according to R. J. Wright, Irvington, chairman of the Alameda County Planning Commission.

Wright said Tuesday that the commission had held its second public hearing on the proposal to zone the community, and there being no protests, the recommendation for passage of the ordinance was handed the Alameda County Board of Supervisors.

The Supervisors have a period of 30 days in which to pass on the recommendation of the commission and Wright expressed certainty that the Supervisors would act favorably on the proposal.

"Without exception the Supervisors have followed the recommendations of the Planning Commission on matters of this type," Wright said.

### THIRD COMMUNITY

When the action is taken by the Board of Supervisors, Irvington will become the third community in Washington Township to have a zoning ordinance. Newark was the first community to seek and obtain the passage of such an ordinance. Decoto was the second community to take action to control its growth.

Niles and Centerville have each held public meetings for discussions of a tentatively proposed zoning, but the first legal actions toward adoption of such ordinances have never been made.

## JAIL TERMS FOR CANADIAN YOUTHS

A tour of the United States by two young Canadian boys was cut short in Niles last Friday when they were sentenced to serve 30 days in the county jail on their pleas of guilty to petty theft.

The two young men, William J. and Albert Woolfrey, were nabbed by sheriff's deputies early the previous Sunday morning after they had stolen 17 gallons of gasoline from the Frank J. Brackendorf filling station near Mission San Jose. They were southbound in a pickup truck when arrested.

In their appearance in court here Friday, the youths told Judge E. A. Quaresma that they had entered the United States on November 6 and were headed for Los Angeles looking for employment. They ran out of funds shortly before arriving in this vicinity.

### HUSKIES AT LIVERMORE FOR GYM DEDICATION

The varsity and B basketball squads of Washington High School will open the 49-50 season Friday, December 9, at Livermore High School.

In addition to the double-header game, the evening's program will include dedication ceremonies for Livermore's new gymnasium.

## TOWNSHIP IN GRIP OF HOLIDAY SEASON \$77,600 IN CHRISTMAS SAVINGS REPORTED

Washington Township will be invaded this week-end!

The invasion, however, will be a joyous one for it will herald the arrival of the holiday season with its gay lights, mysterious color packages, the sparkle of tinsel and the fragrance of pine boughs.

In all of the communities strands of Christmas lights will gleam in the business districts, store windows will be decorated with Santa Claus and Christmas trees will go on sale.

### 26 SHOPPING DAYS

A survey of the four banks of the township, made by The Register this week, revealed that local merchants can expect a merry whirl of Christmas shopping. Christmas Savings Club checks totaling \$77,600 will be mailed within the next few days to local residents who have been building up a shopping "nest egg" over the past 12 months.

# Niles Area Sewer Annexation Favored as Districts Consolidate

## Sewering of Annexation Would Require Special Assessment

Positive approval of a proposal to annex the area immediately southeast of Niles to the Union Sanitary District was expressed by a majority of residents of the area who attended a meeting at the Niles Elementary School on Tuesday evening.

The meeting, attended by more than 100, had been called by Jack Parry and Vernon Ellsworth, who planned and completed an unofficial preliminary financial estimate of the proposed annexation.

Only objectors to the sewerage plan were several owners of large parcels of land upon whom the tax and special assessment burdens would be heaviest.

### BOUNDARIES NOT DEFINITE

Jack Parry, who served as chairman of the meeting, stated that boundaries of the proposed annexation were not definite, and that these might be arranged to exclude some of the larger properties if the owners preferred and if it were feasible from an engineering standpoint.

As explained by Parry, the proposed sewerage will cost approximately \$135,000. On the basis of a bond limit of 15 per cent upon an assessed valuation of \$485,000, a maximum of \$72,810 of this cost may be financed by bonding. The remainder of the cost would have to be raised by special assessment.

The assessment, according to examples given by Parry, would amount to about \$80 per residence in Canyon Heights and approximately \$90 in the Ellsworth Tract. This may be paid either by cash or over a period of 10 years.

### AREA DESCRIBED

The area involved includes Morrison Canyon Road, Morrison Avenue, the Ellsworth Tract, Canyon Heights, bounded on the west by the Western Pacific overpass on the Niles-Mission San Jose highway and Santos Road, north along Fremont Avenue and south to a point 1000 feet beyond the junction of Cherry Lane and Walnut Way.

The area would connect with the Union Sanitary District (which now also includes the former Niles Sanitary District) at Fremont and Santos Roads.

### TAXES DECREASE

Chairman Parry stated that the tax burden of sewer construction gradually diminishes each year, citing the example of the sewerage two years ago of the Adobe Acres area northeast of Niles.

In the first year, the sanitary district tax was \$1.44 per \$100 of assessed valuation, whereas in the second year it had reduced to \$1.12. Each year the rate will be lower.

President George Coit of the Union Sanitary District board of directors, a number of board members, and Engineer Harry Goodridge of the district, attended the meeting to offer technical advice.

Parry emphasized that no pressure from any source is being exerted to induce property owners to annex to the Union Sanitary District. The matter has come up at this time, he said, simply because of rapid residential growth in the proposed annexation area.

## HAYWARD COUPLE ROBBED IN CANYON

Two armed thugs are the object of a search this week by sheriff's deputies after a robbery last Thursday evening in Niles Canyon, involving a Hayward man and his companion.

Victims of the holdup were Clarence R. Alves, 45, and Dorothy Rogers. Alves said that two men, one described as a Mexican and the other a blond, forced his car to the side of the canyon road, then robbed him and Miss Rogers of approximately \$81.

He stated that he was knocked down after attempting to subdue one of the robbers. The bandits took Alves' car, forcing the couple to walk more than a mile to the nearest telephone to report the crime.

## George Coit is Named Head Of Combined Union District

Consolidation of the Union Sanitary District and the Niles Sanitary District was completed last Friday night with members of the boards of both districts approving the plan.

George Coit, president of the Union Sanitary District, said this week that the acceptance of the consolidation by the Alameda County Board of Supervisors is expected to be automatic with a pronouncement by that body.

The new combined district will carry the name of Union Sanitary District and all the present directors of both boards will serve until September of 1950. At that time a board of five directors will be elected.

### WILL MEET AT NILES

Coit pointed out that it was deemed best to retain the name of Union Sanitary District, as it is under that name that federal and state officials had approved the plans and specifications of the proposed sewage disposal plant which would be erected near Newark.

The combined board of directors will meet temporarily on the second Monday of each month at the office of E. E. Dias in Niles. At Friday night's meeting the group elected Coit to serve as president and Henry Enos as secretary.

Coit said this week that the next action of the directors will be to call a special bond election to vote funds for the erection of a sewage disposal plant. He said that this action has become necessary by the state's ruling that raw, untreated sewage can no longer be emptied into San Francisco Bay.

Members of the two boards who will serve out the remainder of their terms on the combined board are: Coit, Sam Scott, Manuel Bernardo, George Emerson and Chester Gunn, Union Sanitary District; and E. E. Dias, H. C. Scott, Henry Enos, George Burr and T. H. Elliott, Niles Sanitary District.

### FIRST ATTEMPTED IN 1912

Coit, who with Bernardo, is the only remaining member of the original board of the Union Sanitary District since it was formed in 1918, pointed out this week that consolidation efforts for sewer districts here were first attempted in 1912. At that time the formation of a sanitary district was voted down. In 1918 the Union Sanitary District was formed but Niles voted to form its own district.

The newly combined district will now serve Niles, Centerville and Newark.

## BOX FACTORY IN NILES TO CLOSE DOWN THIS MONTH

An industry which has flourished in Niles for the past 25 years will close down at the end of this month.

The industry, the International Wood Products Company, a subsidiary of Kraftfile Company, is a "victim of technological advancement in the packaging field," stated Charles W. Kraft, president.

### MADE CHEESE BOXES

In tracing the history of the two companies this week, Kraft revealed that in 1924 the K & L Box and Lumber Company moved to Niles from Hayward. This company's principal business was supplying cheese boxes for the Kraft Foods Company, as it is now called.

Kraftfile got its start a year later in an effort on the part of the management to make some use of the mill scrap and sawdust. This was used as fuel to burn hand made roof tile, an activity that resulted in the incorporating of the Kraftfile Company the following year, in February, 1926.

In its hey-day here the box factory here employed approximately 160 people and shipped its product all over the United States and Canada.

### SMALL CREW

By 1936 new types of cartons were deemed more suitable for the packaging of all but one brand of cheese and the crew here was cut to 3 or 4 persons.

Now the cheese company has converted the packaging of all its products in fibre board cartons.

## CENTERVILLE WILL TAKE ON NEW LOOK

Motorists might well exercise extreme caution when traveling the highway through Centerville early Sunday morning, as the streets are expected to be jammed with a group of groggy, sleepy men.

The men will be members of the Centerville Chamber of Commerce who have volunteered to report at 9 a.m. to assist in decorating the town for the Yuletide season.

At Wednesday's luncheon meeting of the group, President Dallas Paul's call for volunteers resulted in no great flurry but an individual count of the members resulted in what should be a sufficient number being present.

Committees of the Chamber have done a remarkable job in the past few weeks of rounding up an elaborate system of decorations for the business district.

Twenty-one strands of colored lights, purchased from funds donated by the merchants, will be strung across the street. Sixty-five Christmas trees will be erected throughout the business section and some 35 wooden figures of Santa Claus, made by the art department of the high school, will be placed beside the trees. In addition the large fir tree on the S.P. property will again be lighted.

### COUNTRY CLUB WILL HAVE CHRISTMAS TEA

The December meeting of the Country Club will feature a Christmas tea, to be given by the Home Arts Section.

According to Mrs. C. N. Myrick, club president, the choral section, which was reorganized this fall, will supply the musical part of the program by singing the traditional Yule carols.

OPEN NEW PAINT  
STORE IN NILES

James and Louise Fitzhugh of Irvington, on Wednesday opened their new paint store in Niles at 742 First Street.

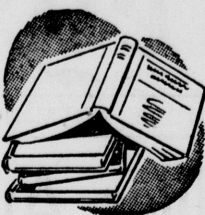

The building, formerly housing Ted's Donut Shop, has been completely redecorated by the new tenants and will feature a "Paint Bar" where the 1,522 custom-painted colors of Martin-Senour paints will be blended. In addition to the popular line of paint, the new store will handle wall paper, brushes and painting accessories.

Mr. and Mrs. Fitzhugh are well known in Washington Township, having operated the Frick Sport Shop at 453 First Street, Niles, for the past two and one-half years.

Although the new store opened Wednesday, their formal grand opening will not be held until Saturday, December 3, the Fitzhughs have announced.

WOMEN'S GROUPS IN  
JOINT YULE PARTY

The Martha Sanford Circle and the Ladies Guild, women's organizations of the Niles Congregational Church, will hold a joint Christmas party on the afternoon of December 7. The party will be in lieu of the regular meeting of the Guild, having been postponed for one week.

At the  
LIBRARY

By ELAINE HOWE

"The Egyptian" by Mika Waltari is a long, detailed novel about a little known period in history. It all takes place in ancient Egypt during the golden age of greatest splendor some thousand years before Christ. Thebes was its fabulous capital and the mighty Pharaohs Amenhotep, Rameses and Tutankhamen reigned. The hero and narrator is Sinuhe, a physician in the royal household, whose original is shrouded in mystery. Like the baby Moses, he was found floating in the Nile in a reed basket and adopted by a simple doctor and his wife. Sinuhe is trained in the priestly rites—necessary preliminary to the art of healing, allied as healing then was to magic spells and enchantments. Later he travels throughout the known world encountering all manner of adventures and practicing his arts in Babylon, Crete, Syria, and Hatti—land of the Hittites.

Far cry from the black arts of the Egyptians is "Call It Treason" by George Howe. It won the Christopher award and concerns three German prisoners of war who were employed by U. S. Army Intelligence to parachute into Germany to carry out espionage activities. A novel based on a little known facet of the late war, it is written with suspense and penetration.

Another novel of interest to the readers who enjoyed "The Robe" and "The Big Fisherman," is by Bertram Brooker, "The Robber"—a tale of the time of the Herods. Great events portend—Herod Antipas reigns in Galilee and Pontius Pilate is the Roman governor of Judea. Barrabas, if you recall, was the thief whom the mob chose to be free when Jesus was on trial before Pilate. The people and times come alive and one begins to understand why Jesus was crucified and why Judas betrayed him.

"West of the Hill" by Gladys Hasty Carroll is a simple heart-warming story of a girl, Molly, who grew up in an atmosphere of poverty and loneliness among Maine fishermen a few generations ago. A dream come true was the day when Brad Hartwell bundled her and her few rags into his fish peddler's cart and took her west of the hill to his farm. Their marriage, her joy in making a home for Brad, her first child make a rich full story of courageous little people.

## Timely Tips to Farmers

Inspect and Repair House  
To Be Ready for Winter

Inspection and repair of a farm home's exterior before cold weather comes is recommended to insure comfortable living during the winter. Among the most important parts of a house which should be checked are windows, doors and the roof.

If windows and doors do not fit

Roofs on farm homes and other farm buildings need to be in good condition to keep out winter snow and rain. Most old roofs can be covered with asphalt shingles on top of the worn material.

tightly, cold air, rain and snow will enter through the cracks. If a roof leaks even slightly, chances are that the entire roof surface is in poor condition and that the number and size of leaks will increase greatly as the roof cover-

ing is battered by wind and forced to carry heavy snow loads.

Water which has leaked through the joints between a window frame and the wall often shows as wet spots on interior walls and ceilings. An open joint between strips of wood in the frame itself can cause a leak, even when the crack is so fine that it is hardly noticeable.

If window frames are painted frequently with quality paint, small cracks will be sealed. Larger cracks can be filled with putty or white lead paste.

Doors which do not fit tightly usually need to be taken off, repaired and re-hung. Narrow cracks between the door and the door frame often can be made tight with weatherstripping.

In making a roof inspection, examine the underside of the roof deck for small leaks. If there are indications that a little water has penetrated already, worse damage probably will occur during winter storms. Most old roofs can be covered with fire-resistant asphalt shingles, leaving the worn roofing in place for economy and for any extra protection it might give.

Roof gutters and downspouts should be cleaned. Leaves, twigs and other debris can impede drainage to such an extent that runoff water from melting snow will back up under roof shingles and enter the house through the cracks where roof deck boards meet.

FARM STRENGTH IS  
IN VARIED CROPS

California's agriculture may have its ups and downs, but less so than that of any other state, says Dr. Stanley B. Freeborn, assistant dean in the University of California College of Agriculture.

One of the weaknesses of California agriculture lies in the fact that its values are dominated by specialty crops that are affected first when the housekeeper decides to economize. The prices of farm lands in California and Florida were the first to reach the peak and to start to recede after the last war. Both had reached their peak in 1947 when vegetables and citrus fruits experienced a weakening market, while other states started their recession a year later.

But this weakness, Dean Freeborn said, is outweighed by a strength. California, with more than 200 different major commercial farm products as a basis for its economy, is less likely to experience a disastrous season than a state that depends primarily on a corn-hog or alfalfa-dairy program.

The soundness of California's farm production, Dr. Freeborn said, found expression in a survey of the total value of farm products in all 3,074 counties of the nation. Among the first ten counties, eight were in California, and 25 of the first 50 counties were on the west coast.

HOW TO KILL WEEDS  
AND SAVE CROPS

How to destroy weeds without harming the crop is described in the new University of California College of Agriculture circular 157, "Selective Weed Killers."

Chemicals, properly used, can save many hours of backbreaking work getting rid of undesired competition to valuable crops, thus saving expenses as well as increasing yields. Faulty application may, on the other hand, damage the crop.

Farmers who want to use chemicals to free their crop from weeds must understand how these weed killers work. Dosage, time and manner of application, weather conditions, and type of chemical used all are important factors to insure success and prevent losses. The new circular, available at farm advisors and at the College of Agriculture in Berkeley, draws together all pertinent information available at present.

The publication was written by Dr. A. S. Crafts, professor of botany on the Davis campus of the University of California, and Dr. W. A. Harvey, formerly also with the division of botany of the University.

YOUTHS TO SPONSOR  
DINNER FOR CHURCH

If the wishes of the Sunday School class of teenagers at the Centerville Presbyterian Church are fulfilled the community will enjoy hearing amplified Christmas music during the coming Yuletide season.

The youths are sponsoring a dinner, open to the public, to be held at the church on Tuesday evening, November 29, beginning at 6 p.m. The proceeds of the event will be used in purchasing an amplifying system for the church, to be erected in the church steeple and will be used in playing recordings of chimes and hymns.

The dinner will be prepared by the mothers of the youths and the cost per plate will be \$1 for adults and 65 cents for children. The plan has received the hearty endorsement of the minister, Howard Steward.

S. P. ANNOUNCES  
EXPANSION PLAN

Southern Pacific announced plans this week to acquire 3,100 new freight cars and give 900 box cars a general overhauling as the latest steps in the railroad's continuing program for expansion of its freight carrying facilities.

The new freight cars will consist of 3000 steel box cars, including 1000 automobile cars of which half will be fitted with the latest type auto-loading racks; and 100 drop-end gondola cars 65 feet in length to accommodate extra long loads, it was stated.

The reconditioning of 900 box cars, in the railroad's general overhauling program for 1950, will be carried out at an average rate of 90 cars a month.

Double Springs, the original Calaveras county seat, yielded in turn to Jackson in 1850, to Mokelumne Hill in 1852, and finally, in 1866, to San Andreas.

## Pontiac's Popular Chieftain In 1950 Dress

Pontiac for 1950 has many appearance and mechanical changes resulting in sharpened beauty and improved performance. Both six and eight cylinder engines again are available in all Chieftain and Streamliner models and the horsepower of the eight cylinder engine has been increased. Pictured is the popular Chieftain four-door sedan.

## LIONS CLUB WHIST PARTY DECEMBER 2

Final arrangements were completed this week by Chairman Edw. J. Rose for the annual Lions Whist Party to be held Friday evening, December 2, in the gymnasium of Washington Union High School.

The affair, scheduled to get underway at 8 p.m., is expected to draw a capacity crowd to compete for the large number of valuable prizes, Rose said.

Proceeds of the event will make up the fund for the club's Children's Eye Correction Program for needy children of the township. Rose has selected his assistant chairmen to handle all details during the evening.

Apples for fresh use bring higher average prices than do those used for processing.

## NEW SUPERINTENDENT FOR KIMBER PLANT

Vernon Miller, former assistant county farm advisor, has resigned that position to become a member of the staff of the Niles plant of the Kimber Poultry Breeding Farm. Miller has been named superintendent here.

He had served as assistant farm advisor in the Alameda County Extension Service for the past two years in charge of the poultry, field and truck crops.

## CONSERVATION BODY ELECTS OFFICERS

The annual election of committeemen for the Agricultural Conservation Association for the Eden-Washington area will be held at the Hayward city hall on Wednesday, Nov. 30, at 2 p.m.

## DAIRY MANAGEMENT BOOKLET OFFERED

How to run a profitable dairy business in California is described in detail in circular 156 of the College of Agriculture available now at the Berkeley campus and all farm advisors. It is written by two agriculturists in the University of California, Arthur Shultis and G. E. Gordon, and is entitled, "Dairy Farm Management in California."

Profits in the dairy business depend on four major factors, the authors say, and can be enlarged by good management practices involved in each.

Production per cow can be increased by feeding, culling, and breeding programs.

Price of milk fat is affected by type of milk, quality and seasonality.

Net stock income is determined by numbers and kinds of animals in the herd.

Expenses are reduced by decreasing cost of feed, labor, and overhead.

Since feeding practices are the most important items in both production and expense, the circular devotes much of its information to the question of how to get the best feeding program at lowest cost.

## HISTORICAL SOCIETY MEETS TUESDAY

The Washington Township Historical Society will hold its election and installation meeting next Tuesday, November 29, at the Country Club house in Centerville, according to an announcement this week from Mrs. Roland Bendel, chairman pro-tem.

Those who attend the meeting—and everyone interested is welcome—will have the opportunity of becoming a charter member of the organization. Those who want further information may call Mrs. Thomas Powers of Centerville, secretary pro-tem.

The meeting will be devoted to the election and to the compilation of by-laws.

## BEST OF HUNTING ON 100 RANCHES

Under the auspices of the Division of Fish and Game, California pheasant hunters this season (closes Nov. 27) were handed more than 175,000 acres of the state's best hunting ground for free public shooting.

"No Hunting" signs, long the bane of "unattached" sportsmen, came down from more than 100 large ranches between Siskiyou and Imperial counties. At least 50 shooting areas are maintained on privately owned lands.

This bonus for the state's quarter-of-a-million pheasant hunters is made possible, according to Ben Glading, acting chief of the Bureau of Game Conservation, by a recent policy adopted by the Fish and Game Commission and a commission-sportsmen-sponsored act passed at the last session of the legislature.

Under the legislative cooperative hunting area law, the Division has signed up more than 50,000 acres in six Sacramento Valley areas. Hunters reporting to Division checking stations receive a map describing open hunting sections and an identifying arm-band.

Valuable biological information will be obtained by Division game managers who are on hand to process the hunter and his take off the area. Fish and Game wardens stand by to protect the landowner's property from possible vandalism.

## SPORTSMEN PLAN CHRISTMAS SHOOT

The Newark Sportsmen's Club, following a highly successful turkey shoot last Sunday, already are laying plans for a Christmas turkey shoot to be held December 18, according to Louis Smith, publicity chairman.

At last Sunday's shoot, a Niles woman, Mrs. Al Juhl, won several turkeys on the shotgun range. She asked the club to give one of them to a needy family for Thanksgiving dinner.

Sid Gaunt, field chairman for the Newark Sportsmen's shoots, states that the Christmas shoot will feature a running-rabbit target, trap, .22, and pistol ranges.

## HUSKIES KNOCKED INTO 4TH PLACE BY FRIDAY'S LOSS

Washington Huskies, battling for third place in the S.C.V.A.L. with Santa Clara on the home field last Friday night, folded in the second half to lose 19 to 6.

The two teams battled on an even basis the entire first half with neither able to break away to pierce the goal line.

On the second play of the third quarter Billy Gill, all-conference halfback, galloped 70 yards for the first score of the game. Gill hit right tackle for the conversion.

## TWO INJURIES

Midway in the third period the Santa Clara eleven drove 48 yards in a series of line smashes that terminated in Kishimoto scoring from the 8-yard stripe. The try for extra point failed and the visitors led 13 to 0.

In the final stanza the Huskies marched 55 yards on nine plays and Pat Francis caught Jack Bribbe's pass in the end zone for the lone Washington score. Len Salvador's boot failed to split the uprights.

In the late minutes of the game Coach Jud Taylor's boys took to the air and Kishimoto intercepted Bribbe's pass and galloped the sideline stripe for the final tally.

Captain Merle Runolfson and Eusebio Elizarray, Washington first-stringers, received leg injuries during the second half, weakening the Huskie defense by the loss of their services.

## 17 WILL GRADUATE

Seventeen of this year's squad were playing their last game for the Orange and Black, being among the members of the class of '49. They are: Don Pine, Harry Miyasaki, Runolfson, Alfred Brannon, Jim Griffin, Len Salvador, Sam Garcia, Ed Gurley, Howard Briar, Ruben Guerra, Bob Saucedo, Pat Francis, John Berney, Joe Bettencourt, Bob de la Torre and Bob Hernandez.

## ANGLERS TAKE SILVERSIDES

Anglers have been taking fair numbers of sizeable salmon during the past week on the waters of Tomales Bay, Marin County.

## ANNUAL FOOTBALL BANQUET DEC. 6

Tuesday, December 6, has been the date selected for the annual football banquet to be given the 1949 varsity and 30 squads by the P.T.A.

The affair will get underway at 7 p.m. and, as usual, will feature a turkey dinner and all the trimmings. The dinner will be prepared by a P.T.A. committee under the chairmanship of Mrs. Reginald Calhoun and the girls from the homemaking classes will serve. More than 100 players and their coaches are expected to attend.

Although no speaker has been obtained as yet, the committee is hopeful of getting Bob Celeri, California University quarterback, to be here for the evening.

## WASHINGTON TEAM IS VICTORIOUS

Washington High's junior girls hockey team defeated Hayward High last week 2 to 0.

The Washington defense held the Hayward lassies scoreless while Jones and Saucedo drove the ball into the cage for the winning tallies.

The starting lineup for Washington was: Silvera, left wing; Jones, left inner; Sanchez, center forward; Navas, right inner; Caldeiro, right wing; Chibero, left half; Untied, center half; Geitveiz, right half; Coronado, left back; Perry, right back; and Guerra, goalie.

Gin accounted for 5.8 per cent of all distilled liquor consumed in the United States in 1948.

## WASHINGTON LADS UNDEFEATED IN 5 CONFERENCE TILTS

In a game dedicated to their assistant coach, Don Mancuso, the Washington Puppies, lightweight football squad, last Friday evening on the home gridiron bowled over the Santa Clara eleven to win the Santa Clara Valley Athletic League pennant.

Last week's victory not only marked the first time that the Puppies have ever won the league pennant, but was also their first win over the powerful Santa Clara lightweights.

Coach Irving Hird's lads scored early on a pass from Rivera to Berrios and never relinquished the lead. Berrios kicked the placement and the local squad held a 7-0 margin at half-time.

In the opening minutes of the third quarter Fujimoto skirted his own left end and scored the only tally for the visitors. The try for point was blocked.

Jack Ferraris blocked a Santa Clara punt late in the third quarter, setting up the second Washington score. Jess Martinez passed to Ray Berrios for the tally.

## LOSE TWO SENIORS

In the fourth stanza the Puppies shook Joe Gonzales in an off-tackle slice that netted 55 yards and the final score of the game. Joe Orrochi ran the end for the extra point.

Only two members of the squad, Tony Balcita and Yosh Hisaoka, will be lost from this year's squad via graduation but many of the championship squad will be boosted into the varsity lineup for next season.

## QUAIL SHOOTING GOOD

Quail hunters enjoyed some good shooting in El Dorado County as the season opened there November 18. Valley quail are plentiful in the lower elevation areas.

## BASS ANGLING IMPROVES

Striped bass angling has improved considerably in the past week along the Sacramento River in the Sacramento County area. Numbers of fair sized fish have been landed.

Iodine minerals are comparatively rare.

### Returns from National Convention

Mrs. Josephine Morris, former home economics teacher at Washington High and now head of the school cafeteria for the city of San Jose, has just returned by plane from Washington, D. C., where she represented the San Jose schools at a national convention for school cafeteria heads, held at the Statler Hotel.

Mrs. Morris now makes her home in Santa Clara.

### And Now They are Four

Mr. and Mrs. Donald Chapman (Alvis Alberg) are proudly announcing the birth of a daughter, Donna Marie, who was born on November 18. The young lady weighed seven pounds and 14 ounces. She has a two and a half year old brother. The Chapmans make their home in San Leandro.

### New Residents to Come to Niles

Soon-to-be residents of Niles are Mr. and Mrs. John W. Stocking of Tracy, whose home is reaching the last stages of completion on the property of Mrs. W. H. Ford of Niles. Mrs. Stocking is Mrs. Ford's cousin, and spent part of her girlhood at the Ford home. She will be remembered as the former Marian Southwick.

The Stockings' home is a spacious six-room dwelling with large windows looking out towards Mission Peak. The couple is looking forward to moving to Niles around the first of the year.

### At Long Beach

Mrs. Virginia A. Enos and Mrs. Loretta Faria of Niles were guests at the fashionable Wilton Hotel, Long Beach, during their recent visit to that city.

### Celebrates Her Third Birthday

Little Gay Comfort, daughter of Mr. and Mrs. Keith Comfort of Niles, celebrated her third birthday last Friday—and she had such a good time that it is probably the high spot of her whole young life.

The little guests at her party included Sharyn Rose, Sandy Lowe, Sheila Vance, George Allen Silva, Dicky Davis, Jeanette, Grady and Chris Hudson, Kathleen and Johnny McCassey, Karen Jackson, and Gay's twin sisters, Janis and Jenice.

The adults who called during the day to wish the little lady a "happy birthday" were her grandparents, Mr. and Mrs. George Rose; and Mrs. Marian Lowe, Mrs. Mildred Vance, Mrs. Ann Brooks, Mrs. Katherine McCassey, Mrs. Minnie Rego, Mrs. Minnie Jackson, Mrs. Jennie Davis and her friend, Cora, Mrs. Jerry Hudson, Mr. and Mrs. George Silva, Mr. and Mrs. Alvin Rose and Mr. and Mrs. Don Fore.

Movies were taken during the day, and the refreshments were climaxed by a beautiful big birthday cake.

### Big Game Fun At Hirsch Home

Big Game week-end was the signal for the arrival of several house guests at the Allan Hirsch home in Irvington last week-end, all of whom attended the game with the Hirsches. Included in the house guest list were Mr. and Mrs. Galen Stouder of Arcadia, Mr. and Mrs. Harvey Dickerson of Las Vegas, and Mr. and Mrs. Arthur Siri of Santa Rosa. They were joined in Palo Alto by about five more couples—all of whom were rooting for Cal—so the popular buffet supper and "open house" at the Hirsch home later in the evening was a great success.

### GEORGE HOLEMAN TO WED OREGON GIRL DECEMBER 18 AT BOULDER CREEK

George Stevenson Holeman, son of Mrs. Estelle Holeman of Boulder Creek and the late Dr. George S. Holeman of Centerville, and Miss Jane Louise Thompson of Grants Pass, Oregon, will be married on December 18 at Boulder Creek.

The bride-to-be is the daughter of Mr. and Mrs. James L. Thompson of Grants Pass and a graduate of the University of Oregon where she was a member of the Alpha Chi Omega sorority. At present she is connected with the Hester Child Care Center in San Jose.

George, known as "Steve" to all his friends, grew up in Centerville where his parents were active in civic and social circles for many years. He is a graduate of local schools, is a veteran of World War II and will be graduated from the University of Santa Clara next June. He expects to continue his education in the medical field.

The wedding will occur at St. Michael's Church at Boulder Creek and after a honeymoon at Sun Valley, the couple will reside at Santa Clara.

### LIVERMORE GIRL ANNOUNCES TROTH TO WAYNE CALHOUN OF NILES

Mr. and Mrs. Warner Holmes of Livermore have announced the engagement of their daughter, Marilyn, to Wayne Calhoun, son of Mr. and Mrs. Reginald Calhoun, of Niles.

The engagement announcement was made at a small anniversary party at the home of Mr. and Mrs. Louis Santucci of Livermore, friends of the bride-to-be.

Livermore family, Miss Holmes attended Livermore schools and also San Jose State College. She is presently employed at Elliott's Electric in Livermore.

Wayne, a navy veteran, is a graduate of Washington High, and also attended San Jose State. He is now employed at the Livermore Veterans Hospital.

The young couple have not yet set a wedding date.

### Pat Harrold Sets Wedding Date

Eleanor A. (Pat) Harrold has set her wedding date to John A. Thomson of Pasadena for December 17. The ceremony is to take place at the Chapel of Grace, Grace Cathedral. The reception will be held at the bride's parents home on Whipple Road, Decoto.

Pat has asked her sister, Mrs. W. B. Wolverton Jr., to be matron of honor. Her bridesmaids will be another sister, Mrs. Norman A. Wagner, and Mrs. H. F. Harrold Jr., her sister-in-law. William Fisher of Los Angeles will be best man. The ushers are to be announced later.

Pat has another sister, Mrs. T. F. Risselada, mother of eleven month old twins, of The Hague, Holland.

Pat is a graduate of the University of California and while there belonged to the Gamma Phi Beta sorority.

John is the son of Mrs. Lewis W. Thomson of St. Louis, Mo. He is a graduate of the Harvard School

of Business Administration. He served as a captain in the Army Air Corps in Europe during the war, and is the brother of Mrs. Kenneth M. Moody, Mrs. Ernest C. Locker and Mrs. Frederick Taussig of St. Louis, and of Capt. L. W. Thomson, U.S.A., of London, England.

### A Successful Luncheon

Mrs. Dorothy Scott of Newark had a rewarding experience last week when she prepared a buffet luncheon at her home for twelve of her young students—both boys and girls—from a special high school class she conducts at Russell City. Never was a hostess more gratified by the appreciation shown by guests than was Mrs. Scott, for the teen-agers, many of whom were from underprivileged homes, had never before attended such a social function. Prior to the luncheon, Mrs. Scott took them on a field trip to Leslie Salt where they made a tour of the plant.

These folks mean business for the West... Pacific Telephone people receive pay adding up to \$19,000,000 a month.

## Telephone paychecks also come to you

1. **Timber . . . paper . . . copper**—we have to buy many things to build and run the telephone system. Last year Western Electric, our principal manufacturer and supplier, bought over 20 million dollars worth of materials in the West. More than half of each dollar we take in goes for employees. Most of it is spent and goes into circulation where they work and live.

3. **When you add it all up**, you find the money you spend for service comes back, in large part, to you. And your telephone dollars are buying more service than ever. Today you can call more of the people you want to call . . . more can call you. And your telephone still does its jobs for only a few pennies a call.

2. **More than 80,000** of those whose savings built the business . . . who own telephone stock . . . live in the West. In return for the use of their money, a few pennies of each telephone dollar go to them. And as they spend it, they also add to Western prosperity. It would probably be hard to find anyone who does not in some way benefit from the money we spend.

Mrs. A. T. Burnsed returned to her home in Irvington Monday after spending two weeks at the home of her daughter and son-in-law, Mr. and Mrs. Jimmy Jones, in Los Angeles. Mrs. Burnsed spent a part of her visit helping attend her newest grandson, Harry Allen Jones.

## Vivian Duarte Is Betrothed

Mr. and Mrs. Arthur A. Duarte of Niles have announced the engagement of their daughter, Vivian, to Chester Richards, son of Mr. and Mrs. C. S. Richards of Pleasanton. The announcement was made at the Duarte home last Saturday evening.

The bride-to-be is a graduate of Washington High, class of '48. Her fiancé is a graduate of Pleasanton schools, and was formerly associated with Richards and Mierris of Niles. He is also a graduate of the College of the Pacific. No date has been set for the wedding.

## Three-Day Holiday

Miss Inge Kirk, student at the San Jose Hospital School of Nursing, spent a three-day Thanksgiving holiday with her parents, Mr. and Mrs. Wiggo Kirk of Sunol.

The nursing school is affiliated with San Jose State College and thus far Miss Kirk, a freshman, has spent almost all of her school time on academic study. After her first six months she will begin to get clinical experience. She will have another vacation at Christmas time.

A recent visitor at the John Cattaneo home in Niles was Mrs. Emory Barrus (Mary Cattaneo) and her seven-months-old son, Scotty, now living in Salt Lake City. Mr. Barrus is a pilot with United Air Lines and flies from Salt Lake to Portland.

## At Lou's Village

Mr. and Mrs. Joseph Gularte and Mr. and Mrs. Joseph Maciel of Creek Road motored to San Jose to Lou's Village for dinner last Saturday to celebrate the Maciel's 29th wedding anniversary. They enjoyed the Big Game festivities, especially since their favorite team won.

## At Western Show

Mr. and Mrs. Joseph Gularte motored to Oakland auditorium last Sunday to see the Western Hall of Fame, which they found very interesting and good entertainment.

Steam dummies replaced horses to haul vehicles of San Francisco's Market Street Railroad Company in 1860 because of shifting sand dunes.

# MORE TURKEY TALK

(Continued from page 1)

There was a gathering of the Buehler clan at the Dr. MERLE BUEHLERS' in Centerville for the holiday feast. Included in the group were the Dr. Lyle Buehlers of Niles, Mrs. J. W. Buehler of Aromas (mother of the two doctors), and Mr. and Mrs. J. V. Hall, parents of Mrs. Merle Buehler. Other out-of-town relatives were also present, making the gathering a very merry one.

Dr. and Mrs. E. C. GRAU of Niles had a large family dinner party at their home of 14 relatives from both sides of the bay.

TOM MALONEY and his family took a little respite from school affairs and motored down to Capitola to be guests at the home of Mrs. Maloney's parents, Mr. and Mrs. Charles Brandon Burg.

Mr. and Mrs. ELMER STINHILVER of Centerville had their dinner at home with their mother, Mrs. George Stinhilver, as their guest. Later they drove down to Santa Clara to Mrs. Stinhilver's sister and family.

Mr. and Mrs. ELMER O'CONNELL of Niles motored down to San Jose to dine at the home of Mr. and Mrs. Fritz A. Linquist, Mrs. O'Connell's son.

The ED ROSES and their daughter, Carol Ann, and the N. K. TURNBOWS and their daughter, Audrey, and Mr. ED WESTON and Mrs. ANNE WESTON motored to Pacific Grove to spend a very happy holiday as guests of Dr. and Mrs. Joe Blacow.

Guests at the ROY CLARK home on Driscoll Road were her parents, Mr. and Mrs. H. M. Hart of Oakland, her sister and brother-in-law, Mr. and Mrs. Kjell Forsmann, of Oakland, and the Clarks' son and his wife, Mr. and Mrs. Charles Clark of San Jose.

Mr. and Mrs. C. F. GILES of Irvington had an informal but, as Mrs. Giles said, "a very thankful Thanksgiving," with friends dropping in during the day to extend holiday greetings and to have roast turkey "snacks."

The A. E. ALAMEDA family of Irvington motored up to Alameda to have Thanksgiving dinner at the home of Mr. Alameda's sister, Mrs. Irene Sargent.

Mr. and Mrs. TONY NEW of Irvington didn't have far to go for their Thanksgiving dinner — just next door at the home of her son, Harry Rose.

The L. W. KRUEGERS of Irvington were hosts on Thanksgiving day to the following members of their family: Mr. and Mrs. Paul Krueger and Mr. and Mrs. Bill Krueger and family of Salinas, Mr. and Mrs. Joe Burnsed and family, Mrs. Ruth Stewart and family and Betty and Barbara Krueger, all of Irvington.

VERNON ELLSWORTH and his mother, Mrs. E. A. Ellsworth, were guests at her daughter's home, Dr. and Mrs. A. A. Siebert of Alameda. Also present were another son, and his family, Mr. and Mrs. E. B. Ellsworth. Mr. E. A. Ellsworth.

worth was not able to join his family for dinner as he is still hospitalized.

Mr. and Mrs. E. A. RICHMOND dined at the International Kitchen with their daughter and son-in-law, Dr. and Mrs. George Bakke and about ten relatives and friends from out-of-town.

It was a big family dinner party at the JOSEPH BAUHOFFER home in Centerville. Present were Mr. and Mrs. Joseph Bauhofer Jr., Mr. and Mrs. William Bauhofer, Mr. and Mrs. John Wipfli Jr., Mr. Thomas Imholtz, and Mr. and Mrs. A. T. Jones—and, of course, the children of the various families.

Mr. N. E. CLICK, principal of the Mission San Jose grammar school, put all school problems behind him yesterday and enjoyed his turkey dinner with his family and guests, including Mr. and Mrs. J. W. Weekly, Mrs. Laura Weekly, and Mrs. E. A. Miller, all of Berkeley.

The GYGAX family of Newark spent the holiday in different parts of the bay area, the Paul Gygaxes going to Hayward to dine with her parents, Mr. and Mrs. J. C. Wasley; the Frank Gygaxes going to Livermore to have dinner with her parents, the Tremblays; and Mrs. Gygax Sr. going down to Paradise Park to spend the day with friends there.

Mr. and Mrs. R. J. WRIGHT of Irvington motored over to San Francisco where they were dinner guests of her sister-in-law, Mrs. Mildred Rasmussen.

Mr. and Mrs. GEORGE BEARDSLEY of Irvington were Thanksgiving dinner guests at the home of her mother, Mrs. Lena Rodrick, in San Jose.

Mr. and Mrs. MARTIN KNUDSEN, Mr. and Mrs. CARL CHRISTENSEN and Mr. and Mrs. L. W. MILLARD, all of Irvington, were dinner guests at the home of Mr. and Mrs. Cecil Wright in San Jose on Thanksgiving.

MRS. CATHERINE BREWER of Irvington spent the week in San Francisco at the home of her daughter, Mr. and Mrs. John McGovern and family.

Mr. and Mrs. ROBERT MOORE and their two children motored over to San Francisco to have Thanksgiving dinner with Mrs. Moore's aunt, Mrs. Charles Stern.

Mr. and Mrs. WILLIAM CLARK of Centerville motored to Oakland and joined her parents, Mr. and Mrs. J. B. Danielson of Napa, for a turkey dinner.

Mr. and Mrs. X. STONE invited Mr. and Mrs. William Roberson and Mr. and Mrs. G. G. McClain, all of Alvarado, to be their dinner guests on Thanksgiving.

Dr. and Mrs. J. H. DURHAM of Irvington invited the following guests to join them for the turkey dinner: Mr. and Mrs. Kenneth Foster of Newark, Mr. and Mrs. Robert Foster and daughters, Ann and Lyn, of Mountain View; and Mrs. Grace Cushing of Hayward.

MRS. W. H. FORD motored down to Salinas to spend the holiday at the home of a cousin, Mrs. Johan Iverson. Accompanying her on the trip were other cousins, Mr. and Mrs. John Stocking. Her niece, Mrs. Mary Jane Ford of Honolulu, who has been her house guest, spent the day as the guest of Mrs. W. W. Briggs of Piedmont.

Mr. and Mrs. MANUEL BRAZIL of Centerville had a special treat for Thanksgiving day—their son, Lt. (jg) Rudolph Brazil, docked at Hunter's Point after maneuvers in the Pacific and arrived in time for Thanksgiving dinner. Also present were their other two sons, Edward and his wife, and Philip and his wife and two children.

The KENNETH BERGS of Newark entertained his parents, Mr. and Mrs. O. C. Berg of Turlock, on Thanksgiving day. They plan to remain for the week-end.

Mr. and Mrs. ROBERT WOODWARD of La Honda invited her parents, Mr. and Mrs. William Enos of Irvington, and his parents, Mr. and Mrs. Paul Woodward of Niles, and her aunt and uncle, Mr. and Mrs. Frank Fields of Niles, as their Thanksgiving day guests.

Mr. and Mrs. VICTOR HESCHER of Niles motored over to Pleasanton for the day to dine with friends, Mr. and Mrs. Jack Coyle.

The HOWARD OVERACKERS of Mission San Jose had quite a gathering at their home for turkey dinner. Included among the guests were Margaret and Ed Chadbourne, the Horace Overackers of Palo Alto, Mrs. Margaret Overacker, Mr. and Mrs. T. T. Elliott, and Mrs. Kitty Bernal.

MRS. F. V. JONES and MRS. O. E. WALPERT spent their Thanksgiving day at beautiful Carmel.

Mr. and Mrs. A. B. HILL of Alvarado had as dinner guests her mother, Mrs. S. W. Waterhouse, and brother, Mr. Richard Waterhouse, both of Palo Alto, and their daughter, Judy, and her fiancé, Mr. William B. Decker.

Mr. and Mrs. W. G. DENTON and son, Fred, of Niles, motored up to Oakland to have their Thanksgiving dinner with their daughter and son-in-law, Mr. and Mrs. George Emerson.

Mr. and Mrs. CARL MOHN of Niles had the pleasure of having their three sons home for dinner. They were Howard and his wife and little son, and Charles (Bud) Mohn and Eldon Mohn.

MRS. EVERETT MENDENHALL of Niles had a gay time with her family all around her—her son, Everett; her daughter, Mrs. Hal Parton and husband and two children of Oakland; and another daughter, Mrs. Lester Oakley and daughter and husband of Woodside. Also present were Mr. and Mrs. Dan Marble.

MRS. ANNA BRADFORD of Niles, who spent a very pleasant day as a guest at a duck dinner at the home of her sister, Mrs. Ed Krumland of Byron, returned the compliment on Thanksgiving day and invited the Krumlands and their son, Roy, to her home for turkey dinner. Also present were Mr. and Mrs. Alton Cowan and son, Kenneth, also of Byron, and Mrs. C. B. Reeder of Santa Cruz.

Guests at the ARTHUR BELSHAW residence in Centerville were Mr. and Mrs. Austin Waldron of Centerville, Mrs. S. B. Van Dervoort of Niles, Mr. and Mrs. Ben Murphy of Niles, and Mr. and Mrs. Jack Pool and their two children of Newark.

Mr. and Mrs. HUGH KIBBY had their Thanksgiving dinner at home with their daughter, Mrs.

Winifred Simmons, and her husband and two children of Oakland as their out-of-town dinner guests.

Mr. and Mrs. L. H. ADAMS of Irvington had as their dinner guests their daughter and son-in-law, Mr. and Mrs. Arthur Davis, and little daughter, Kathleen, of San Leandro.

Mr. and Mrs. RAY ALBERTS enjoyed the holiday as guests of Mr. and Mrs. H. J. Bolyard, all of Newark.

Mr. and Mrs. CHESTER GUNN and family of Newark enjoyed the day very much at the home of her sister, Mr. and Mrs. David Stott, of Redwood City.

Mr. and Mrs. L. E. BAILEY and family of Centerville motored to Montclair for the day to dine with her niece, Mrs. Robert Rust.

It was a family dinner at the PETER JUHL home in Niles, with Mrs. Juhl's father, Mr. E. A. Stangland, and her brother, Mr. T. E. Stangland, both of Oakland, as their dinner guests.

Mr. and Mrs. RALPH GOODWIN of Centerville motored to Eureka to spend the holiday with his relatives.

Guests at the home of MRS. E. H. HIRSCH and the WALTER CONNOLLYS were Mr. Connolly's father, Mr. Michael Connolly and family of Oakland.

IRVINGTON CHAMBER  
POSTPONES LADIES NIGHT

The Irvington Chamber of Commerce, at its meeting Tuesday at Roethlin's Cafe, voted to postpone its ladies' night dinner party until after the first of the year.

The committee named by Vice-President Allan Hirsch to study the feasibility of holding the party during December reported that the majority of members felt that there were too many other activities scheduled for next month.

Civilian employment in California was 4,508,000 in 1948.

DE GUADALUPE MEMBERS  
AT OFFICIAL VISIT

Mrs. Angie Quartaroli and Mrs. Susie DiGiulio, members of De Guadalupe Institute No. 74, accompanied Mrs. Frances Mann, past president of Lourdes Institute No. 152, to San Francisco recently to attend the official visit of Grand President Bertha Sanborn to Lourdes Institute.

Both the grand president and the hostess institute were pleased to welcome guests from Niles and extended official greetings to them.

ENTHUSIASM HIGH  
FOR NEWARK CUBS

The reactivated Newark Cub Scouts launched off with a bang last week, with parents and Cubs turning out in surprisingly large numbers at the Newark Youth Center for the Cub pack meeting.

The new cubmaster, Stanley Freeman, was highly encouraged by the good response and is confident that the Cubs are now well on the way to becoming an enterprising and active group.

Cubs who received their Bobcat awards included Robert Knowles, Carl Cottingham, Steven Betshart, Douglas Harris, David Brake, Manuel Corchero, Gene Gastelum, Ronald Quaresma and John Melhase.

More den mothers are urgently needed. In the meantime den mothers Mrs. Gertrude Cottingham and Mrs. Zelma Scarbrough are carrying on in true den-mother tradition, hoping it won't be long until they have some assistance.

Members of the Cub Scout committee are Kenneth Foster (chairman), William Hildebrand, R. A. Alberts, William Beck, Manuel Corchero and Rev. John Peffers.

CHANGE OF NAME FOR  
UTILITY COMPANY

Clifford Dennis, manager of the Niles office of the Public Utilities California Corporation, announced this week that the name of the company has now been officially changed to Citizens Utilities Company of California.

Dennis said that the name change has been made to link the subsidiary with the parent company, Citizens Utilities Company, Greenwich, Connecticut, as well as to eliminate the word "Public" which has caused people to confuse the company with Public Utilities Commission.

## MISSION SAN JOSE NEWS

By LOIS BOTTENBERG

## A PAL PASSES

We have written many dog stories since entering on our journalistic (?) career and "Tuffy" has figured in many of them, but now we deliver our last tribute to him, for Tuesday morning, Nov. 15, he finally passed away after many weeks of illness. Let's go back 11 years ago when Teddy, his mistress, and Jack, her husband, lived on the back street. A tiny dog, neglected by his master, nipped at Teddy's heels one morning. Scooping up the dog in her arms and dropping five pounds of sugar in the deal, she ran home with her new "Tuffy." (Just a case of plain dog napping). Anyway she got away with it and for 11 years he has been her "seeing eyes" as she has been nearly blind for years

due to an accident. Many times he has kept her from getting struck by a car by getting in front of her and not letting her move until the danger had passed. So it is no wonder that we see a sad, red eyed Teddy around town these days for she had become so very attached to her "best friend" who never let her down.

## BIRTHDAY FETE

Grandmother Florence Medeiros was a happy person on Sunday for son Johnnie and family from Anderson, and son Joe and wife came home to help her celebrate her birthday, then since daughter Mamie Conn and husband of Stockton could not join the group, she hopped a bus on Tuesday morning and off she went for a couple of days to pay them a visit.

## REBEKAH NEWS

The Friendly Sewing Circle will hold their annual Bazaar on Thursday, Dec. 1, at the Odd Fellows Hall in Irvington. Farrell Pugmire is chairman of the food sale, and announces that the sale will start at 10:30 a.m. The fancy work booth is in charge of Ivy Cull and her committee. Anna Bradford has charge of the "White Elephant" table. Luncheon will be served to the public starting at 11:30 a.m., and is in charge of Olive Pugmire and committee.

Edna Heschler, advisor of Necona Theta Rho Club, has charge of the Theta Rho table. At 2 p.m. a card party will start in the assembly hall, under charge of Iva Marble.

## DAY BY DAY IN DECOTO

By GRACE CAMINADA

## USHER AT CONCERT

Myrtle Hernandez served as usher with four other students at Washington Union High School auditorium Monday evening at the first of the concert series to be held there.

## GRACE CAMINADA BE HELD THERE

Mr. and Mrs. Walter Avilla spent last week-end with Mrs. Avilla's sister and her husband, the Edward Kapps of Richmond.

## CAL ROOTERS

Among the Cal rooters at the California-Stanford game last Saturday was "Hank" Borkhi. Hank, who until last June played with most of the Cal team, was out there cheering the champions along the way that meant the Rose Bowl. I can tell you I'm sure Hank was wishing he also was in there playing Saturday. Also at the game was Mrs. Bessie Borghi, Frank Borghi, Mr. and Mrs. Franco Borghi and daughters, Daisy and Louise (both girls are Cal students), and Mr. and Mrs. Al Garvanetti. After the game a supper was given at the Franco Borghi in Santa Clara. Also there were many Cal students and students from Santa Clara University.

## A SPEEDY RECOVERY

A speedy recovery to George Bettencourt of the Masonic Home who was recently hospitalized.

## SYMPATHY

Sympathy is expressed to Mrs. Susie Ortega on the loss of her father in Sunnyvale last Friday.

## CAR AFIRE

The firemen were out last Monday when fire started in the car of Clarence "Slim" Frates of 12th Street.

## FISHERMAN'S LUCK

Determined to leave George Silva home on their next fishing trip because he seems to get the biggest catch, ten fishermen tried their luck again last Sunday on the San Joaquin River. Only George caught a 26-lb. bass while his

brother Jim caught a 15-lb. bass. Those who went out were George Silva, Richie Silva, Manuel Silva, John Enos, Jim Silva and Sammie Orr of Hayward; Mickey Rose and three friends of San Jose.

## THE FIRST EDITION

The Decoto School students put out their first issue of the school paper for this year. Each copy sold for 13c. Every class will contribute news every month, and each class will take turns in designing the cover for the "Bee."

## A HOLIDAY

The pupils of the Decoto School were dismissed last Tuesday for the Thanksgiving holiday.

## GAME POSTPONED

The girls' volleyball game has been postponed for the second time until Mrs. Hoffmister can arrange enough transportation.

## DECOTO TEAM LOSES

The Decoto team lost against Bret Harte for the Eden Township championship on November 18 at Hayward.

## READERS WRITE US

November 18, 1949  
The Editor, Sir:

May I express my appreciation for the excellent publicity you gave to Proposition No. 1, the school bond measure.

Since I was the author of that Proposition, I got a deep personal satisfaction from the overwhelming majority given to the Proposition by the voters and from the support accorded it in the District I represent.

Sincerely yours,  
FRANCIS DUNN, Jr.

## BENEFIT WHIST PARTY

## Thinking Things Over...

By VIVIAN BATMAN

Once more we hear from Nell Farrington Myers of Niles Canyon, who has taken time out to write a Thanksgiving poem, in spite of the fact that she is in constant attendance upon her husband who is stricken with a most baffling disease.

Thank you, Nell—not only for the poem, but for your lesson in courage during what must be most troublous times for you.

## FOR ALL THESE THINGS

(A Thanksgiving Poem by Nell Farrington Myers)

I thank Thee Lord, that I am straight and strong,  
With will to work, and hope to make me brave;  
That a score of years, unfathom-  
ed, still belong . . .  
To the allotted time Thy bounty gave.

I thank Thee that the sight of sunlit lands  
And dipping hills, the springing blades of grass;  
The towering trees, and flowers in my hands—  
Can give gladness as this way I pass.

I thank Thee, that I love the things of Earth,  
Ripe fruits, child voices, lying down to sleep;  
The shrine of lighted homes, the priceless worth  
Of warm and human hearts, sincere and deep.

I thank Thee for the rich and golden years—  
Of childhood, parents, with their priceless store  
Of memories that sometimes bring the tears—  
And longing for loved ones we see no more.

I thank Thee that as yet I need not know,  
Yet need not fear, the mystery, when life ends;  
And more than all, as thru each day I go . . .  
Dear Lord, I thank Thee . . . for my Faithful Friends!

## The FARMERS CORNER

by RALPH H. TAYLOR

Executive Secretary Agricultural Council of California

Peculiarly enough, the one group's opinion going unheeded on pie-in-the-sky farm subsidy proposals now rife in Washington is that of the farm organizations.

Perhaps the Administration figures it knows the farmer's needs better than he does—or maybe the farmer is not supposed to know what is good for him. At any rate, the bureaucratic planners who would limit the number of cabbages that could be grown in a row are doing American agriculture a great disservice. If successful in selling their scheme for high, rigid farm supports and accompanying controls on production, the end can mean only regimentation of all farmers.

In fact it is time that the farmer was heard, for these same self-styled "friends" of the farmer are creating resentment in the public mind against him. The public is being conditioned to viewing the farmer as a person who wants a favored spot in life at the expense of other segments of the economy.

To the contrary, as expressed by the National Council of Farmer Cooperatives at its recent meeting in Wisconsin, all evidence points to the fact that the overwhelming majority of farmers believe "that a national farm program designed to prevent disastrously low farm prices and to maintain a balance between supply and demand is imperative if American agriculture and the national economy are to escape disaster."

"The National Council favors a policy which will reflect to farmers a fair exchange price for their products in the market place. We are unalterably opposed to any plan or program predicated upon direct production or subsidy pay-

ments to farmers," the resolution concluded, "which, in effect, result in the taxpayer paying a portion of the consumer's grocery bill."

Henry D. Greene, executive secretary of the Pacific Dairy and Poultry Association, ably explains the program this way:

"Better sales and profits are the incentives that have put the turkey industry far ahead today. In the last twenty years turkey production and consumption per capita have increased from two to three fold. Today's large, broadbreasted, tender, young bird yields 50 per cent more meat than the turkeys of several decades ago. Why?

"Because of working on salary or being supported on some sort of flat guaranteed income every grower and every other operator has been striving for the increased returns that come from better products, better services and economics of operation. Result: Mr. and Mrs. America today enjoy a far better turkey on the average, at reasonable prices compared to similar foods—the true American progress which is constantly improving our standards of living."

Continuing, Greene pointed out that "the only kind of money any grower or distributor receives is the consumer's dollar. But we are reminded there are now also government support purchases. Where did the government get the money for them? Right out of those same consumers' dollars through many forms of taxes . . .

"Our best sales executives remind us our worst competition is not from within our own industry, but comes from all the other things competing for our consumers' dollars that draw buying power away from our product. A customer

## MRS. MARY VALLES NEW SCOUT LEADER

The Centerville Girl Scout Troop Committee met at the Centerville Elementary School on Tuesday, Nov. 15.

Mrs. Mary Valles, new assistant to Mrs. Lydia Orsetti, leader, was introduced. Mrs. Oswald, district officer, was a guest.

Nut cups and scrap books made by the Girl Scouts for the Junior Red Cross were on display. Plans were made for the Girl Scouts to attend an ice hockey game at Winterland in San Francisco. Parents have volunteered to provide transportation.

Mothers of Troop 66 will attend the council meeting on Tuesday morning, Nov. 29, at the Girl Scout Cabin, Hayward Memorial Park.

only has so many dollars; he can spend each dollar only once.

"A tax increase of four billion dollars would drain out of our customers' pockets as much money as the entire output of our nation's egg and poultry industries for one whole year.

"Government civilian payrolls," Green declared, "reached an all-time high this year. In California it is estimated that a family of four people pays an average of almost \$2000 a year in hidden taxes. Should we not carefully consider this competition of taxes for more of our consumers' dollars when we ask for more price supports at the expense of those same taxpaying customers to whom we would like to sell more of our products?"

As Mr. Greene so well states: "Let's also make sure we do not add to taxpayers' burdens by creating additional surpluses by supports at such high levels that overproduction is encouraged on one hand, while we price our product beyond reach of many consumers on the other."

The farmer, Washington's masterminds should know, has never asked for unfair advantage of his fellow man and is not asking for it now.

## GIFT WRAPPERS ARE URGENTLY NEEDED

Do you like to wrap Christmas packages?

If so, here's your chance. Mrs. Clarence Crane, head of the Gray Ladies in Niles, reported this week that she needs volunteers to go over to the Livermore Hospital to wrap Christmas packages for the veterans.

You don't need any experience, you don't need to be a Gray Lady, all you have to do is get in touch with Mrs. Crane who will appreciate your offer of help.

Several township Gray Ladies went over to Livermore this week to cover boxes for gift wrapping. Included among them were Mrs. Crane, Mrs. Cora Hayes, Mrs. Virginia Mottershaw, Mrs. Lela Beebe, Mrs. Lou Moser, and Mrs. Gladys Calhoun. Miss Elaine Howe and Mrs. Don Smith, recent recruits into the Gray Ladies, were unable to go this time, but have been ardent workers for the veterans, just as have been all the other Gray Ladies.

## Oil helps grow food for you...in Hawaii

Beyond the Islands' coral beaches, behind their blue, cliff-sharp hills, lie some of the most efficiently mechanized farming areas in all the world.

The pineapple you eat and much of the sugar you serve are grown, not in palm-shaded tropical valleys, but on broad fields of rich, red soil . . . contour plowed, expertly cultivated, carefully harvested.

And in all these jobs, oil plays a major part.

Oil powers plows and cultivators; petroleum emulsions control weeds in fields of young cane and pineapple plants; at harvest time, huge Diesel machines rake and load 130 tons of cane an hour, and ripe pineapples are gathered on conveyor belts. Trucks and barges speed the harvest to canneries and mills.

Supplying the oil Hawaii needs has been

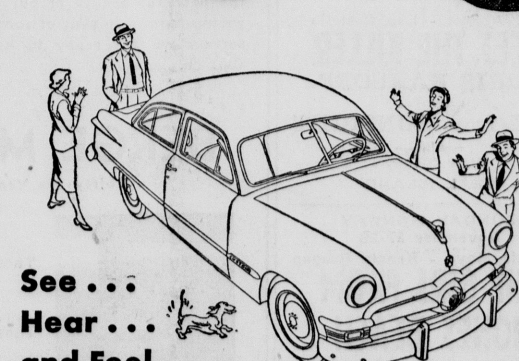

Standard of California's job ever since kerosene lamps burned in Honolulu's light-house. Today, this service has spread to all the Islands . . . provides millions of gallons of petroleum products every year . . . helps insure better living for the Islanders and better food for you.
